

ZIRKEL fiberWave Internet delivers speeds of up to 1Gbps to homes, businesses, and multi-dwelling units in Northwest Colorado.

ZIRKEL fiberWave gigabit Internet service delivers fiber-like broadband without the need or wait for fiber to be trenched. ZIRKEL fiberWave Internet is currently being deployed to subscribers in even more neighborhoods. And our fiberWave Internet Symmetrical plans allow you to become part of the Yampa Valley's FIRST wide-area wireless mesh network.

ZIRKEL fiberWave Symmetrical Internet Plans

Choose from speeds of 100Mbps, 500Mbps, and 1000Mbps. Symmetrical means that upload speeds are just as fast as download speeds—not always the case with most Internet technologies.

- 100** Mbps \$79/month
- 500** Mbps \$109/month
- 1** Gbps \$119/month

Available in Oak Creek, Phippsburg, and Yampa

ZIRKEL fiberWave Asymmetrical Internet Plans

Choose from speeds of 100 x 20, 200 x 40, and 400 x 60. Asymmetrical means that upload and download speeds are different. These plans will be introduced in rural areas soon.

- 100x20** Mbps \$79/month
- 200x40** Mbps \$89/month
- 400x60** Mbps \$109/month

Available in Steamboat Springs

ZIRKEL's low latency combined with significantly faster download and upload speeds allow us to offer more value to the community. ZIRKEL fiberWave Internet provides more power to fuel your streaming, gaming, and online needs. **Order ZIRKEL fiberWave Internet today!**
